

INVITATION TO BID

Date: **July 1, 2021**

Sealed Bids will be received by the **Town of Wiggins** (hereinafter referred to as Owner), at the office of the **Owner**, 304 Central Avenue, Wiggins, CO 80654, until **2:00 p.m.**, local time, **July 1, 2021**, for:

Wiggins Sewer Line

At said place and time, and promptly thereafter, all Bids that have been duly received will be publicly opened and read aloud.

The major components of the project include:

Installation of approximately three hundred and fifteen feet of 16" C905 DR 25 sewer line, one hundred and ten linear foot bore of 24" ASTM A139 steel casing under the Burlington Northern Railroad property and tracts, installation of ninety feet of 24" ASTM A139 steel casing by open cut methods, installation of three manholes, connection to two existing manholes, seeding, erosion and sediment control, and various other items to allow the final product to be a fully functional system.

There are special insurance requirements required by BNSF which are shown in the Supplemental Conditions, along with special flaggers required by BNSF which is called out in the Appendix. The existing sewer lines are extremely flat and there is little tolerance for the grade to be off on the manholes and bore.

Electronic copies of the Bidding Documents may be obtained from the office of the Engineer, **NOCO Engineering Co., 11323 Coal Mine St. Firestone, CO, 80504** (hereinafter referred to as ENGINEER) upon payment of **Fifty Dollars (\$50.00)** per each set. Mail payments to NEC at 11323 Coal Mine St. Firestone, CO 80504. No paper sets will be sold. No partial sets will be issued. **NO REFUNDS OF PAYMENTS WILL BE MADE. Bidding Documents will be available June 13, 2021, through a private Dropbox account, the account will not be available until payment has been received.**

All questions shall be sent by email to jcook@nec-engrs.com. The last day for questions is June 28, 2021, at 2:00 p.m.

A **Mandatory Pre-Bid** will be held at the Owner's Office on **June 24, 2021 at 2:00 p.m.** OWNER's clock.

The Bidding Documents may be examined at:

1. The OWNER'S office.
2. The Engineer's office.

Bidder Qualification forms are included in the Project Manual. Bidders must be qualified contractors in the State of Colorado. Bids received from Bidders who are not recorded by the ENGINEER as having received the Bidding Documents will not be opened.

The Work is expected to be commenced within **fifteen (15)** days after the Date of Contract. Completion of the Work is required as specified in the Bid Form.

Bid Security in the amount of five percent (5%) of the total Bid Price must accompany each Bid in the form specified in the Instructions to Bidders.

The Successful Bidder will be required to furnish a Construction Performance Bond and a Construction Payment Bond in the amounts of one hundred percent (100%) guaranteeing faithful performance and the payment of all bills and obligations arising from the performance of the Contract.
