Please **AND** sign below to indicate you have read and understand all that apply to this Permit Application.

- I understand that site liability lies with the primary contractor.
- Setbacks for a temporary structure is generally 7 feet.
- This permit shall expire 6 months from the date of issuance. Permits may be renewed a maximum of 3 times.
- All renewals must be submitted in writing a minimum of 10 working days prior to expiration date.

Utility Section:

- Utility Locates are required before construction involving any earth moving or demolition.
- A 24" clearance must be maintained around the meter pit lid at all times.

By my signature affixed hereto, I certify that I have read and examined this application and know the same to be true and correct. I understand that the granting of a permit does not presume to give authority to violate or cancel any provisions of any state or local laws regulating construction or the performance of construction. I swear that I am authorized by the owner of this property, and by the primary contractor listed on this permit, to pull permits for the construction as requested on this permit application.
